

## THE COMMITTEE

The AS Food Bank Committee was created as a means to provide education around hunger and homelessness and to assist with maintaining the stock of AS Food Bank through donation drives and other fundraising efforts. The committee is led by an executive board of internally elected student leaders, who oversee and ensure that the Food Bank Operation meets its mission and also work to develop and expand its services.

AS Food Bank welcomes volunteers and members to the AS Food Bank Committee.

## What is it like to come into the Food Bank?

Here is what a student has to say about the experience:

“...I thought that it would be embarrassing to come and take free food, but it wasn't. I realized that I actually do need it because I barely have any food at home and I am broke (no job or parent contribution). I didn't feel judged or anything but actually encouraged. Just wanted to say thanks and I really appreciate what you guys are doing.”
